DETAILED ACTION

Priority

1. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

Information Disclosure Statement

2. The information disclosure statements (IDS) have been considered by the examiner.

Claim Rejections - 35 USC § 102

3. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

4. Claims 1-8 are rejected under 35 U.S.C. 102(b) as being anticipated by JP 1181420.

The scope of the instant application claims is described, taught and suggested by the prior art document that shows holding a target substrate and mask in vertical positions for exposure. The apparatus is shown, as well as the basic method of the instant application. Furthermore, the specific beneficial result obtained by is the same, that being elimination of deflection of the photomask due to its own weight. See English language abstract of the Japanese document.
